

**Institute for Mathematics and its Applications**  
**2011 Seminar Series: 6**  
University of Wollongong

**Title:** A discussion on graphs of groups and their fundamental groups

**Speaker:** Anne Thomas (University of Sydney)

**Time and Date:** 11:30am, Monday, May 23, 2011

**Location:** Room 15.113 (Access grid room)

**Abstract:** Anne will discuss graphs of groups, their fundamental groups, and how they relate to Okayasu's work in " $C^*$ -algebras associated with the fundamental groups of graphs of groups."
